It is a non-profit organization and a member of Ringette Canada. We are comprised of over 70 community-based local associations, which are administered within 6 geographic regions across the Province.

We are an **athlete** centred organization who make value driven decisions

STRATEGIC PRIORITIES

In developing the Strategic Plan we took feedback from our membership and identified **four** strategic priorities

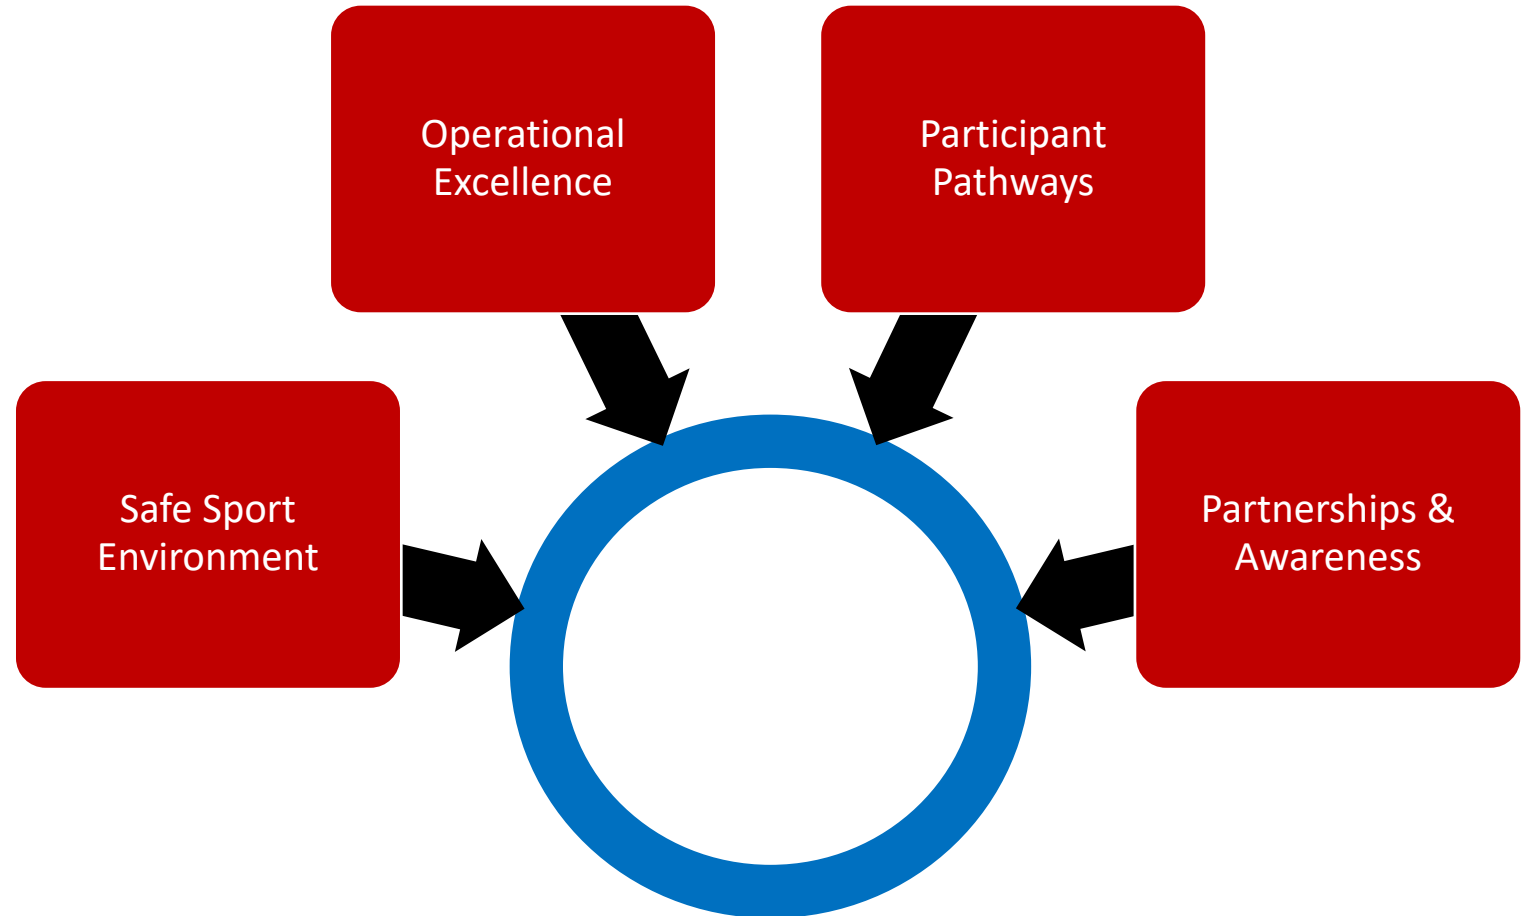

These four priorities provided us with a base for building our strategic **objectives** for 2019-2022.

STRATEGIC GAME PLAN

Strategic objectives provide direction and intent for programming and development and keep us focused on our most important stakeholder – **our athlete**.

In order to achieve our strategic objectives, we broke our objectives into **FOUR** categories to develop our Strategic Game Plan.
