I am interested in the following position: \*

Director At Large

Athlete Director (1 year term and I have been a registered athlete within the last 3 years)

Please provide a brief summary of your experience in sport. \*

I have played 19 years, and 8 in the National Ringette League. I am the Captain of the Waterloo Wildfire and the Senior National Team and have played for Team Canada since 2013, and played in the first JNT program in 2009. I have also coached and instructed for 15 years (e.g., U10-U12, power skating and skill development programs), and designed and led mental skills training for the National Ringette School and BILT Ringette Training. I have recently become involved in issues of governance and design of the NRL as an athlete representative on the NRL working group.

---

Please provide a brief summary of your experience with other voluntary or community organizations. \*

Not really applicable; I largely would bring the experience and perspective to the role of Athlete Director that I have gained as a high-performance athlete who is well connected to community programs as a coach and mentor. However, I am also a PhD candidate in Organizational Behaviour & Human Resource Management.
