

ADULT DEVELOPMENT PROGRAMMING

The Adult Development Program was established to provide the continuation of the sport of Ringette for adults in the Province of Ontario.

As participants in the sport of Ringette at the adult level, the Committee recognizes that adult players have specific needs and requirements, many of which are very different from those of our younger athletes. The adult development committee would like to emphasize that the organization and development of programs and activities has been geared to meet the specific needs and requirements of our adult athletes.

PURPOSE

- To promote the sport of Ringette to all players.
- To provide resource material to enhance their enjoyment and knowledge of the game.
- To create programming geared to the new adult Ringette athlete
- To provide a continuing program at an adult level for athletes coming up through the minor system
- To promote the Ringette Ontario values community, collaboration, character, challenge and competition in all aspects of the sport at the level of adult play.

GOALS AND OBJECTIVES

- To liaise and communicate with the Ringette Ontario Office staff and Program Committees on behalf of adult participants.
- To maximize adult participation and enrollment in Ringette Ontario.
- To encourage the inclusion of 18+ and 35+ participant divisions within Ringette Ontario Tournaments
- To encourage information and resource exchange between Regions and Associations
- To develop and promote the 35+ and Co-ed divisions
