## GUIDELINES FOR UNIVERSITY DIVISION PLAY

---

### **Team Formation**

- RO Sanctioned Tournaments and the University Division at RO Provincial Championships will follow Ringette Ontario rules including the clause that all teams must be comprised of students attending an Ontario University or College on a Full or Part Time basis.
- The team composition is to be the same as the UCC (University Challenge Cup) event with 85/15 ration for mature teams.

### **Substitutions for Sanctioned Tournaments and Provincial Championships**

- Substitutions for Invitational Tournaments and Provincials will follow Ringette Ontario rules including the clause that all substitutes must be registered in a post-secondary program and adhere to their school's policy.

### **Player Eligibility**

- Coaches have agreed that the university division at Tournaments and Provincials will adhere to the UCC rules for team composition. The UCC Policy and Procedures Manual states that Players registered with the National Ringette League (except affiliates) are not permitted to participate in the University Challenge Cup as players.
- National Ringette League affiliates officially designated as an Affiliate Player for the current season may participate in the University Challenge Cup. However, this will only be the case if they have not participated in more than seven league, playoff or championship National Ringette League games in the preceding twelve-month period which commenced on December 1 of the previous year and ended on November 30 of the current year. Suitable documentation to confirm compliance must be submitted.

### **Requirements to attend the Ringette Ontario Provincial Championships – University Division**

- Teams must attend two Ringette Ontario tournaments/sanctioned events to be eligible for the Provincial Championships – University Division.
